Guidance Notes

1. Any athlete changing first claim membership from one club to another must complete this form and return it to the appropriate National Eligibility contact as shown below. In addition you need to comply with Rule 3 (7) and give the outgoing club one clear calendar month's notice of the resignation. You are recommended to obtain proof or posting or other evidence that your outgoing club has received that notification of resignation.
2. All applications received by the 10th of the month will be granted clearance on the first of the following month subject to payment and satisfactory completion of checks. The athlete **MUST** sign the form personally and a "hard copy" of the form should be submitted by that date.
3. Should an athlete apply for a second change of club with a 12 month period, the 4 month suspension from team competition will apply. An application for exemption may be submitted.
4. UK Athletics Rules for Competition 2 to 6 will be applied when considering all applications for exemption from the waiting period for team competition.
5. You may compete as an individual before the date of clearance for team competition.
6. The application will only be considered if it is made personally by the athlete named. All relevant sections must be completed stating the reasons for claiming *exemption*.
7. A representative of the club from which the athlete has resigned must complete Section 4. This can either be the Chair, Secretary or Membership Secretary of that club who must sign in the appropriate space, unless you are able to provide alternative acceptance of your resignation. For Example: A confirmation email from either of the above club officers. The form should then be sent to the appropriate National Eligibility contact as shown below.
8. After 28 days from ceasing to be a member of a club, athletes shall not be eligible to compete in open team competition until they have again become members of an affiliated club.
9. **A fee of £10 is payable on all applications (except where Note 10 is applicable) and must be enclosed with this application.** Cheques must be made payable to the National Governing Body to which the application is submitted. Payments for applications in England should be made payable to England Athletics.
10. Under 15/13 athletes changing clubs for the first time in that age group should submit the form but not pay the fee. Further applications within the same age group must include the £10 fee.
